Dear St. George Congregation,

Further to our announcement regarding the Commemorative Medallion and Church Logo Design Contest, we are pleased to share some additional details.

**Design Requirements**

Participants are asked to design both sides of a circular commemorative medallion:

Front: A design representing St. George Coptic Orthodox Church, its name, St. George, faith, identity, and heritage. The winning front-side design will become the church's new official logo.

Back: A design commemorating the building of our new church and reflecting our vision for the church project. This may include artwork, symbols, a Bible verse, slogan, or other meaningful elements.

Both hand-drawn and digitally created designs are welcome. Designs should be suitable for professional production, engraving, or minting.

**Judging Criteria**

Designs will be judged based on:

- Creativity and originality, including the extent to which the design reflects the participant's own creative input rather than reliance on artificial intelligence (AI).
- Connection to our Coptic Orthodox faith and and our church specifically.
- Overall appearance and presentation.
- Thought and meaning behind the design.
- Suitability for production as a medallion and use of the front-side design as the church logo.

**Prize**

The winning participant will receive a $150 gift card. The medallion will be professionally produced and subsequently sold, with all proceeds supporting the church rebuilding project.

**Submission Instructions**

Please submit your designs for both sides of the medallion, along with your name and contact information, to:

fundraising@stgeorge.email

**Deadline: November 30, 2026**

By participating, participants grant St. George Coptic Orthodox Church the right to use, reproduce, modify, and publish their submitted designs for church-related purposes, including production of the medallion and use of the front-side design as the church's official logo.

We encourage everyone to take part in this contest and help create a design that will commemorate the building of our new church and represent St. George Coptic Orthodox Church for years to come.
